DETAILED ACTION

Allowable Subject Matter

1. Claims 1 – 13 are allowed over the prior art of the record.
2. The following is an examiner's statement of reasons for allowance: The prior art of the record fails to anticipate or rendered obvious, A dynamic display device adapted to be positioned over a monitor, the dynamic display device comprising: An opaque grid lattice defining a plurality of parallel channels including a plurality of peripheral channels, each channel having an open rearward end and an open forward end, and wherein peripheral channels include at least one open side; a translucent panel attached to the grid lattice such that the translucent panel covers the open forward ends of the plurality of channels and covers the open sides of the plurality of peripheral channels; and an attachment means connected to the grid lattice, for removably attaching the dynamic display device to the monitor; wherein light entering the plurality of channels will be visible through the portions of the translucent panel covering the open forward ends of the channels, and light entering the plurality of peripheral channels will be visible through the portions of the translucent panel covering the open sides of the plurality of peripheral channels, as shown in figs. 2 - 3.

Claims 2 – 8 and 10 – 13 are dependent to independent claims 1 and 9; therefore, claims 2 – 8 and 10 – 13 with respect to independent claims 1 and 9 as a whole consider allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
